Artbook Metal Gear Rising Revengeance - view presentation slides online. Metal Gear Rising: Revengeance is not just Hidetaka Miyazaki's new project. This is a story about how the main character Johnny Cage is trying to regain his right to life. In a world where people like him live, they face many trials. And every day they try to live without looking back. This is what happened with Cage. During one of the missions, he was heavily attacked. His partner survived, but Cage himself was badly injured. He lost his arm and eyesight, and lost his friends.
