Elden Ring is a fantasy action RPG that seamlessly combines the online and offline RPG worlds. The main feature of Elden Ring is its vast online gameplay, which features a unique combination of the offline RPG system and the online battle system. The game story is in the midst of a struggle between a fantasy world called the Lands Between and the Empire of Orgnar, and you are the key to this world's fate. By combining the world of the online and offline RPG systems, you can freely switch from playing offline to online, as you travel from one world to the next, and attack enemies from various angles. Gameplay: At the core of Elden Ring's gameplay is the story. The story connects and overlaps numerous different paths, and takes place in various different worlds. The story is divided into fragments, and any single path can only be accessed after receiving hints and registering responses to puzzles in the various worlds. • Online Version: In the online version, you can travel to a certain world, explore, gain experience points, and enter the online battle system in order to find rare items and goods. You can also participate in the ongoing battles for the lands in a variety of ways. • Offline Version: In the offline version, you can travel to many worlds in the Lands Between and explore them freely, as if it were a large world. You can also create your own world and transfer your character to it. You can be a hero who fights in the world of the story in order to find the lost power called the "Elden Ring" and defeat the new and old Orgnar Empire. You can gain experience points and obtain an increase in your attributes to become a stronger hero. • Dynamic Events Based on the information and knowledge you gain in the game, you can visit various buildings and interact with the inhabitants. You may also be attacked by other players or unexpected events may occur. When you succeed in a battle against an enemy, you can receive rewards. • Skill-Based Evasion Play as a hero that uses skills to evade enemy attacks. Although you cannot directly attack enemies, you can evade attacks and attack enemies from the side. Story: The story takes place in the Lands Between, which is on the verge of an inevitable war. A young man named Tarnished, who is traveling from a world called Arda, to another world called Frelia, receives a strange message, and

## Features Key:

New online fantasy RPG adventure. Solve dungeons in this Japanese-style graphics while collaborating with and fending off hostile monsters with your comrades.
